

MAC PERMAHOT LASER

PERMANENTLY HOT WATER

- Electrically heated mobile
- 90°C constant temperature
- Low water consumption
- 475w - 32 Amp supply
- Strong stainless steel construction
- Patented hot water design

PERMAHOT

KEY SPECIFICATION

Electrically Heated Mobile

6000psi Water Flow

100bar Pressure

90°C Constant Temperature

475w, 32amp Power Supply
